Our Story

Located in the heart of Cypress, just northwest of Houston, the Cypress Alamo Venue & Event Center features 3 unique event spaces perfect for an wedding, quinceañera, party, graduation, anniversary or corporate event. The Alamo, Hope Lodge and Little White Chapel are nestled among the moss-filled oaks creating a breathtaking setting. We have packages available that range from venue-only rental, elopement micro-weddings & all-inclusive packages provided by our partnership with Perfect Events.

Acquired in 2016 by Cy-Hope, The Cypress Alamo stands as a testament to the architectural artistry of a distant era. Marrying Texas history with modern rustic detail, this magnificent landmark is the ideal location for any event. This historic building has all the appointments of a 5-star venue while at the same time providing an intimate atmosphere for the most romantic of events.

When you host your event at The Cypress Alamo, Hope Lodge & Little White Chapel you are benefitting Cy-Hope and the community of Cy-Fair.

"Cypress' best kept secret!"

"We had our wedding at The Cypress Alamo and the staff went above and beyond to make our experience stress-free and beautiful.

I would give them 6 stars instead of 5 if I could.

This place is a hidden gem!"

-Phil & Tina
